PRESIDENTS REPORT

Dear Club Members

The big achievement this month is that our Annual Report is complete and is beautifully presented thanks to Lesley, who has put in hours of work on this. Thank you to everyone who contributed reports and/or photos. A great team effort! We also have a draft Strategic Plan which we will discuss at our next meeting.

I attended the Combined Presidents' meeting last week and have a few things to report to you. Naomi said the International Board is looking for a long-term 10 year project WORLD WIDE before the next Convention in Japan in 2018. Could we modify Expect Respect??? Before 1st June we need to work on the application for ER to become a district project and put it into a suitable format to submit again now that the project has grown.

We were reminded about the 100 anniversary in 2019. New Area 2 table banners are coming.

ZI are running a pilot project offering half price membership fees to new members under 30. This is worth mentioning when recruiting younger new members!

Membership satisfaction surveys and exit forms are soon to be circulated by District.

I was pleased to attend the Adelaide Club's Women of Achievement Award night at Adelaide Town Hall, hosted by the Lord Mayor. A lovely evening demonstrating Zonta PR and Advocacy at our best! South Australian women and girls of all ages and professions were recognised for their achievements.

I look forward to seeing you all at the Birthing Kit Assembly Day on Sunday 23 April and at our AGM and dinner meeting on Wednesday 26 April.

PLEASE NOTE THAT THE NEXT BOARD MEETING WILL BE ON WEDNESDAY 3RD MAY AT MY HOME.*

Lynda A'Bear

QUOTE OF THE MONTH:

I always say to women "Take advantage of the fact that you're in the minority, don't see it as a disadvantage. You're that much more unique when there's fewer of you."
