PRESIDENTS REPORT

Dear Club members

I am looking forward to seeing you all at our dinner meeting on 22 February. This is a very important planning meeting when we are fortunate to have our Area Director to facilitate. I have received only one request so far for a new microfinance project in DR Congo. Our Service Committee and Advocacy Committee are keen to continue with all their projects. Fundraising needs to be discussed. We all made an excellent effort this year and reached our target. Already Membership and PR Committee are planning a movie afternoon on 5 March and Service are organising one for mid-year. Advocacy are enthusiastically planning an afternoon tea.

It has been suggested we have a major fundraiser involving the general public. I am happy to chair a committee to organise this. Please consider volunteering to join me on this venture.

Let me have your thoughts and suggestions please!

Yours in Zonta!

Lynda

President
