**PRESIDENTS REPORT**

Happy New Year to all Zontians and their Families!  
I am looking forward to starting the year with many of you at Sharon's Amelia Earhart Brunch this Saturday and also at the dinner meeting on 24<sup>th</sup> January. We will miss our efficient Lesley Siegloff who wants to return to Adelaide Flinders and I thank her for all her work for us. I am pleased to announce that two members have agreed to fill the casual vacancies on our Board until May. Amanda Waldock and Bev Hocking will bring some new ideas to our hard working Board and ensure diversity of views within the club.  
Along with the other Zonta clubs in our Area 2, we need to review our Club Constitution before our AGM on 2 May, so please let me know if you wish to join a small working party. I would also appreciate photos and end of year reports by end of March to include in the Annual Report. The recent club survey was well received by the Board and some ideas will be implemented immediately but some ideas will need further discussion at our February planning meeting. Last month was great fun. I forgot how cold Blackwood can be but still enjoyed the Christmas pageant with 6 other club members. Amanda and Margaret Granger brought their families, so the children stole the show along with Missy (Sharon's cute little dog). We were give a very good introduction and resume of our club projects as we walked along with our banner. All excellent PR for our club! Then the heat came as I staggered into the Blackwood Church of Christ with our Beacon project donations, which were gratefully received and sadly much needed in this area. Diane Strutton and I sweltered at the Mt Barker South Primary School final assembly, where I presented the Kristina Macaulay Award to a young boy who had shown respectful behaviour to peers and adults. We both thought it was all worth the effort and work put in over the year by our Advocacy Committee. Finally, Coraine, Ted and myself enjoyed Christmas drinks at Belair Country Club and met some interesting people from other service clubs.  
A big thank you to Sharon Morton and her family for a wonderful Christmas lunch in December.  
May you all enjoy good Zonta fellowship in the coming year and experience rewarding fundraising and project activities.  
Yours in Zonta  
Lynda

**P.S. Reports from committees must be in by end of March for inclusion in the Annual report.**

## DIARY DATES.

**Saturday January 20<sup>th</sup>**

**Amelia Earhart Breakfast**

**10.30am**

## QUOTE/S OF THE MONTH:

*If you can't do **great** things,  
Do **small** things in a **great** way*

*Napoleon Hill*

*Blessed are the flexible, for  
they won't be bent out of  
shape.*

*Anon.*

Diane, Lynda, Marg G, Bev & Lesley at the White Ribbon breakfast.

Amelia Earhart may be best-known for her numerous aviation records, but it is Amelia's legacy of unfaltering determination and her can-do attitude for equal treatment of women that lives on.

She was born in 1897, but Amelia didn't board a plane until 1920. Then, when the pilot flew her just a couple hundred feet in the air, Amelia knew she had to fly. In 1923, Amelia became the sixteenth woman to receive a pilot's license.

On June 17, 1928, she departed from Newfoundland with pilots Wilmer "Bill" Stultz and Louis E. "Slim" Gordon. When her team landed in Wales 21 hours later, she became the first woman to fly across the Atlantic, a record that was just one of many. Later, the pilot became the first woman and the second person to fly solo across the Atlantic. She also became the first person to fly solo across the Pacific. Then, shortly after her flight across the Pacific, Amelia became the first to fly solo from Mexico City to Newark.

On June 1, 1937, Earhart left Miami for her final flight. She hoped to become the first woman to circumnavigate the globe. Sadly, Amelia would never complete this flight. On July 2, her radio lost contact and a rescue attempt began immediately. Although it became the most extensive air and sea search in naval history, Amelia was never found. In a letter to her husband, Amelia wrote, "Please know I am quite aware of the hazards." She said, "I want to do it because I want to do it. Women must try to do things as men have tried. When they fail, their failure must be but a challenge to others."

We celebrate Amelia Earhart to not only honor her life and career, but also Amelia's courage and strength.

Here are 10 facts you may not know about this famous aviator:

1. Amelia Earhart was born in Atchison, Kansas on July 24, 1897.
2. Amelia saw her first plane at a state fair when she was 10 years old.
3. During World War I, Amelia became a nurse's aid in Toronto, Canada, to tend to wounded soldiers.
4. On December 28, 1920, pilot Frank Hawks gave Amelia her first ride in an airplane.
5. Amelia took her first flying lesson on January 3, 1921.
6. Amelia's first plane was a bright yellow Kinner Airster that she nicknamed, "The Canary".
7. While living in Boston, Amelia wrote articles promoting flying in the local newspaper.
8. In 1932, Amelia developed flying clothes for the Ninety-Nines that were advertised in Vogue.
9. Although she referred to herself as "AE", Amelia became known as "Lady Lindy" after her first flight across the Atlantic.
10. During her 2,408-mile flight to become the first person to fly solo across the Pacific, Amelia enjoyed a cup of hot chocolate.
