President's Report

What a busy month it has been and we are now 5 weeks until Christmas. This year has flown by very quickly – although I seem to say this every year. Each year feels shorter than the year before!

Our Devonshire Tea at Old Belair House was a success. There was lots of positive feedback about the event, primarily how much people enjoyed the chance to have afternoon tea in the gardens of a local historical building. It was a lovely combination of a social event as well as the opportunity to learn about a local landmark. The afternoon tea was put on by the Friends of Old Government House and although the afternoon was a little chilly, the sun was shining and everyone who attended had an enjoyable afternoon.

On Sunday 7th November, a group of us met at Sheoak Café and took a leisurely walk down to the lake at Belair National Park. We saw a mob of kangaroos, galas, cockatoos and other water birds. On our return to the café for much needed refreshment, we were joined by Priscilla and Briella. It was lovely to meet Priscilla who expressed how much she appreciated the assistance we have been providing to her. Once Briella woke up, Doone very quickly claimed all the snuggles. She's a darling and contented little girl.

At the October Dinner meeting, Sherry Proferes let us know that she has bought a house on the other side of

town to be closer to her daughter and 5 month old grandson, Freddy. She currently has her house up for sale. Sherry has been a member of the ZCAH since 1st February 1992 and will move to another club which will be closer to her new home. We will miss her at meetings but I know she won't be a stranger.

At the moment, the advocacy committee has been working very hard to prepare for the upcoming 16 Days of Activism. They have put together a fabulous plan to promote this in our local area. The vigil will be held on Thursday 2nd December at Windy Point at dusk. The local bakeries will be making orange donuts and some of the local business will be lighting their windows orange during the 16 days.

The Expect Respect Project is holding a 10-year retrospective display in conjunction with Mt Barker club who will be taking this project forward from next year with the local schools. Due to COVID, the resources normally available to the project from the Mt Barker Police were unable to be supplied. The project was able to adapt and were able to support St Francis De Sales College with a small Art Competition.

Our last activity for the year is the Christmas Tree Festival which will be held on December 10th, 11th and 12th. Keep an eye out at the Festival for a tree decorated in Zonta colours!!

Wishing you all a Merry and Bright Festive season.

Yours in Fellowship, **Amanda Waldock**
